PRA

RHQ PARA

Merville Barracks

Circular Road South

Colchester

CO2 7UT

This special event is still in the early stages of planning and is being organised by 16 Air Assault Brigade along the lines of a mini Colchester Military Festival to take place within Merville Barracks. It will provide an excellent opportunity for members of the PRA to meet serving soldiers and to parade along with member units of the Brigade, as well as the opportunity to parade Branch Standards prior to the Brigade deploying on operations later in the year.
